

## **An Akashic Initiation 8-Week Journey**

### **Accessing the Field of Infinite Intelligence Through Your Inner Senses**

**A Production of the New World Harmony Global Light Initiative**

#### **What this 8-Week Initiation is About**

There is a field that holds everything vibrationally.

Every experience. Every choice. Every pattern. Every possibility.

Past, Present and Future.

It exists beyond time... and yet it is accessible to you always. You simply have to remember how to sense it. Once you do, it is like riding a bicycle...you can't forget how to do it.

Most People miss the truth about the Akashic Realm. You don't have to "go" somewhere to access them. The Akashic Realm is a living energetic field of intelligence that you can learn to access, read, and work with.

The vibratory wisdom contained within the Akashic Archives is all around us and everywhere. It is held in a dimension found within our DNA and is accessed through the energetic field in your body, including the chakra system and clairchannels.

“An Akashic Initiation” is about awakening your four main clairchannels and accessing this Field of Infinite Intelligence. We will activate the channels with the assistance of your Guides and Council by way of harmonizing your 12 main energetic centers and the channels that connect each with the others. You will learn how to telepathically communicate with your Guides, Council and the Beings of Light that guard the Akashic Archives.

In this 8-week journey you will learn how to train your consciousness and nervous system to perceive these records. The gateway is located within your clairchannels: Seeing, Hearing, Feeling, and Knowing.

These are not gifts given to a few. They are innate human capacities that have simply gone untrained.

If you have been feeling a calling within...a calling for the right set of teachings and practices that will powerfully transform the way in which you relate to your gifts with confidence, this journey is for you!
